Entry Rules:

1. Entry fee is \$5.00 per class

2. **Entry deadline is July 14 at 5pm.**

Entries can be made online at www.saratogacountyfair.org

3. All animals must be in no later than Monday, July 23rd at 5p.m. **NO EXCEPTIONS.**

4. Each breed must be entered on a separate entry form. Entries made in the wrong class will be disqualified. Exhibitors must bring a copy of their health records and registrations when their animals arrive. These records must stay with the exhibitor all week.

5. No switching of or adding to additional classes allowed.

6. Each animal's date of birth must appear on entry blank.

7. Entries made in the wrong class will be disqualified. No refunds of entry fees will be made.

8. When there is only 1 entry in the class, the judge will determine the placing from 1 of the paid places.

9. No animal may be entered in more than 1 individual class.

10. All animals must have valid registration or official breed identification certificates. No animals with "papers pending" will be allowed in the show ring.

11. Registration or official breed identification certificates and health certificates must be on the fairgrounds during the length of the Fair. They must be produced upon request from either the Superintendent of the Cattle Department, the Judge, or the State Veterinarian.

12. **Out-of-county herds will be accepted on a space-available basis with priority consideration given to prior year exhibitors first. Out of County Exhibitors – Please let us know of your intentions to exhibit by June 1st.**

Department Rules

1. Feed and bedding **will not** be provided by the Society. Only large bales will be allowed for setup.

2. No set-up allowed before noon Friday, July 20, 2018.

3. Milking parlor will not be open until Monday night, July 23. All proceeds from milk produced during Fair week will be retained to pay for Milking Parlor Superintendent, and repairs and maintenance for the milking system.

4. Cattle release time will begin at 6pm Sunday using a staggered release plan. This will be discussed at exhibitors meeting Monday, July 23, at 7pm.

5. No cattle or displays will be allowed to stay after Sunday July 29.

6. **Tickets:** Each cattle exhibitor will receive six (6) free one day admission tickets upon submitting entries, good for one (1) admission per day for the entire week. In addition, each exhibitor will be able to purchase up to two (2) packets of six (6) one day admission tickets for \$25 per packet only at the time of entry. All general re-entry rules will apply with NO exceptions. A one day admission ticket or season ticket allows admission to the grounds ONLY. **A hang tag will be required to park on the grounds.**

7. **Parking hangtags:** Due to traffic, safety concerns and the limited parking space available in the Cattle area (Gate 4), there will be a predetermined number of hang tags issued for that area. This parking area is a privilege and is **not** restricted to Cattle exhibitors only. Hangtags for Cattle exhibitors will be allotted and issued in the following manner per farm/exhibitor unit: Exhibitors exhibiting 1-6 animals will receive 1 hangtag; 7-12 animals, 2 hangtags; 12 & over, a maximum of 3 hangtags.

Hangtags are non-transferable; violators will lose their parking privileges. A hangtag does not guarantee parking in the Gate 4 area; parking is dependent upon available space. Those exhibitors needing additional hangtags may be issued Lot B hangtags on an as-needed basis. Another option for exhibitors is to rent from the Lions Club a parking spot on Fairground Avenue.

Any vehicle on the fairgrounds without an appropriate hangtag for the specific area will be towed at the owner's expense.

8. **Campground:** Exhibitors in this department wishing space for a camper **must request so in writing to the fair office on or before June 1, 2018.** A limited amount of camper space may be available. Should there be more requests than space available, a committee of the livestock superintendents will determine, based on need, those who will be offered spots at the exhibitor camping rate, and will notify them by June 15, 2018. Camping spaces are not transferable, and will only be verified with paid entries.

Health and Identification Requirements

Health papers must arrive with the animals and remain for the week. All health certificates and registration/breed identification certificates will be checked by an official during the Fair. A state veterinarian will inspect all cattle exhibits as soon after arrival as possible. Any animals not meeting state health requirements or animals deemed unhealthy by state veterinarian inspection must be removed from the fairgrounds promptly. Make sure your numbers match your papers.

Questions regarding health certificates should be directed to Dr. Roger Ellis, State Veterinarian, 518-573-1165.

Questions regarding registration and official breed identification certificates should be directed to Chuck Curtiss at 518-885-8731 or Kathy Hanehan at 518-587-0277.

For other health requirements for the control and suppression of infectious or communicable disease relating to domestic animals, see Ag and Markets rules in this handbook.

Class Descriptions

Three best females classes to consist of 3 animals that are owned and bred by the exhibitor. Junior 3 best females must be from Classes 1-7 only. Senior 3 best females must be from Classes 9-18 only.

Exhibitor's herd to consist of 4 females: calf, yearling, 1 animal that has calved at least once, plus 1 additional animal of owner's choice. They must be owned by the exhibitor. Produce of Dam to consist of 2 animals, any age, the produce of 1 cow.

Cows entered in the Lifetime production class must have DHI record accompanying the entry. Lifetime production totals are a minimum of 125,000 lbs. milk lifetime for Section 1 Holstein and 100,000 lbs milk lifetime for all other breeds, Sections 2-7.

Best Udder Award: The judge will determine Best Udder in Class in Classes 9-12 and 14-17 in each breed and will award a ribbon. Class winners will compete for best udder for each breed, and breed winners will compete for Best Udder of Show.
